

## 2015 V&D AGM reports from Kion Wong

### Handbook

The 2015 V&D handbook was published and delivered to all clubs at the SAGM in April. This job was the combined efforts of the V&D board, member clubs and bowlers providing technical assistance. I wish to thank everybody who had participated in the progress, as well as the clubs and commercial partners who supported the booklet with their advertising.

### Top Ten

This year we got 13 teams from 10 clubs competing, down from 16 teams last year because NW and MR only have 1 team and North Delta could not make it this year. Anyway, competition was very keen. Many thanks to New Westminster Club for hosting the Final. Richmond (A) team was the winner again, being five years in a row. Runners-Up was North Vancouver (Blue).
