

V&D HANDBOOK REPORT for 2015

V&D HANDBOOK

I am very pleased with the final product after working with Kion and Vanessa on my contribution for the 2015 Handbook.

V&D EVENTS pages flows easily.

- All Women's events on one page
- All Men's events on one page
- All Mixed and Juniors on one page

INTER-CLUB EVENTS

- Women's events side by side on 2 pages
- Men's events side by side on 2 pages
- Mixed events on 3 pages but very easy to follow

I'd like to thank Kion for proofreading all of my work and helping me fine tune the information so that we had the most amount of information in the least amount of space and Vanessa for helping put it all together. I'd also like to thank Pete Moffat for his expertise. When I had a question he always had the answers. I think next year will be even better.

QUESTION

Approx. 1200 copies given to Clubs. 134 copies left. Should we be printing less or does it make any difference to the costs?
